## BC116AA

CERAPLUS | Wall-mounted basin mixer 261x180 mm, 200 mm spout projection in chrome finish, 5 l/min (3 bar), no waste | Click technology, Ecoflow, EPD, FirmaFlow, SmartShine

### Image & drawing

### General information

|                           |                          |
|---------------------------|--------------------------|
| Product type:             | Washbasin mixers         |
| Sub product type:         | Wall-mounted basin mixer |
| Brand:                    | Ideal Standard           |
| Suite name:               | CERAPLUS                 |
| Designer:                 | Artefakt                 |
| Colour:                   | AA - Chrome              |
| Surface finish effect:    | glossy                   |
| Height (mm):              | 180                      |
| Length / Projection (mm): | 261 - 280                |
| Fixing method:            | S-coupling               |
| Net weight (kg):          | 2.53                     |
| EAN code:                 | 3800861059721            |

### Features

Click technology

Ecoflow

EPD

FirmaFlow

SmartShine

|                                              |                   |
|----------------------------------------------|-------------------|
| Includes a chain eye:                        | No                |
| Integrated electronics:                      | No                |
| Low-pressure model:                          | No                |
| Material:                                    | Metal             |
| Material of handle:                          | Metal             |
| Material quality:                            | Brass             |
| Max. flow rate at 3 bar (l):                 | 5                 |
| Max. flow rate at 3 bar (l) for all outlets: | 5                 |
| Max. flow rate at 3 bar (l) for spout:       | 5                 |
| Max. operating pressure (bar):               | 10                |
| Min. operating pressure (bar):               | 0.5               |
| PVD technology:                              | No                |
| Shape of escutcheon(s):                      | Round             |
| SmartShine:                                  | Yes               |
| Spout model:                                 | Swivel            |
| Spout type:                                  | Casted body       |
| Surface cover:                               | chromium-plated   |
| Surface finish effect:                       | glossy            |
| Swivelling spout:                            | Yes               |
| Tap outlet model:                            | Aerator           |
| Tap outlet visibility:                       | Visible           |
| Tap outlet adjustable:                       | No                |
| Temperature limiter:                         | Yes               |
| Touchless control:                           | No                |
| Type of handle:                              | Lever             |
| Type of temperature control:                 | Manually operated |
| With drain plug:                             | No                |
| With escutcheon(s):                          | Yes               |
| With handle(s):                              | Yes               |
| With outlet:                                 | Yes               |
| With pull-out spray:                         | No                |
| With waste set:                              | No                |
| Easy Fix technology:                         | No                |
| Fixing method:                               | S-coupling        |
| Mounting method:                             | Wall              |
| Noise reduced S-Connectors:                  | No                |
| With S-couplings:                            | Yes               |
